Re: *ABC, et al. v. Aereo, Inc.*, Nos. 12-Civ-1540, 1543-AJN (S.D.N.Y.) (Consolidated)

Dear Judge Nathan:

Pursuant to Rules 1A and 3E of the Court's Individual Practices in Civil Cases, Defendant Aereo, Inc. ("Aereo") respectfully requests the opportunity for the parties to present the Court with oral argument regarding the preliminary injunction issues addressed in the parties' recent written submissions (No. 12-Civ-1540, Dkt. Nos. 323, 325-327). Aereo believes oral argument is necessary, given the complex nature of these issues and the catastrophic harm Aereo would experience if an injunction were entered.

Additionally, pursuant to Rule 4A of the Court's Individual Practices in Civil Cases, Aereo seeks the Court's permission to submit a substantive request for redaction of the Expert Report of Dr. Tasneem Chipty (properly served on all parties today, and to be filed as Exhibit 8 in connection with Aereo's Opposition briefing, Dkt. Nos. 325-327) no later than September 5, 2014, and respectfully requests that the Court deem Dr. Chipty's report timely-filed. Dr. Chipty's report contains extremely sensitive information that Plaintiffs and Aereo have designated Highly Confidential under the Protective Order in this case, so the parties must confer and jointly submit their substantive request for redaction pursuant to Rule 4A.

Very truly yours,

/s/ R. David Hosp
